HEPATITIS B DECLINATION FORM

Name: _____ Discipline: _____

Hepatitis B is a major infectious occupational health hazard in the health-care industry. The critical risk for health personnel is contact with blood and other body fluids. Persons previously infected with Hepatitis B virus (HBV) are immune to the disease. For persons who have not had the disease, Hepatitis B vaccine will provide immunity. The vaccine is given in three separate doses and failure to receive all doses may cause the vaccine to be ineffective and not result in immunity. Clinical studies have shown that 85% to 96% percent of these vaccinated evidence immunity. Periodic testing of vaccinated persons for antibody to Hepatitis B will confirm immune status.

I understand that due to my risk of occupational exposure to blood or other potentially infectious material I may be at risk of acquiring Hepatitis B virus (HBV) infections. I have been given the opportunity to be vaccinated with Hepatitis B vaccine, at no charge to myself.

I have read the above information and have received verbal and written instructions regarding the efficacy, risk and complications of receiving the vaccine. Any questions I had have been answered. I acknowledge that I am aware of the availability of the Hepatitis B vaccine and the benefit that such vaccination provides in the prevention of infection with Hepatitis B virus.

[ ] I **decline** Hepatitis B vaccination at this time because I have completely the **three (3) doses** of the Hepatitis B vaccine . *I have attached a copy of Hepatitis B Vaccination Record.*

[ ] I **decline** Hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring Hepatitis B. If in the future I continue to have occupational exposure to blood or other potentially infectious material, I will want to be vaccinated with Hepatitis B vaccine. I can receive the vaccination series at no charge to me.

[ ] I **accept** vaccination with the Hepatitis B vaccine. I have read the above information concerning the Hepatitis B vaccine. I understand I must complete the three (3) doses series for full immunization. I can receive the vaccination series at no charge to me.
